

COVID-19 Policies and Procedures

September 5, 2020

We ask that children and adults respect the following policies and procedures.

- Parents are expected to check child's temperature before they leave the house.
- Each child will have their temperature taken as soon as they arrive, if temperature is 100° or above, they must leave immediately.
- Each child will wash or sanitize hands immediately after having temperature taken.
- Masks are mandatory and must be worn at all times.
- Hands are to be washed a minimum of 20 seconds.
- We will practice safe distancing (No Hugging) – 6 feet is the norm.
- Traffic flow will be regulated according to the Evendale Cultural Arts Center health protocols:
 - Facial masks required; social distancing in place.
 - Please enter and exit buildings according to posted signs. Each building entry and exits vary.
 - Temperature check upon entry by via touchless forehead thermometer.
 - Water fountains turned off, bring your own water bottle.
- The building will be deep cleaned each week.
- Common areas (restrooms, stairs, hallways) will be cleaned throughout the day.
- Doorknobs, and railings will also be cleaned throughout the day.
- The camp will mostly focus on no-touch skills - juggling, solo unicycle, diabolo, hooping, poi, jump rope, ball spinning, hat manipulation, object balancing, maybe a clown band, etc.
- Everyone will need to bring their personal props and keep them separate.
- Any shared props will need to be sanitized after each use (rola bola, wire, globe)
 - We will adopt a minimal spotting rule.
 - Any prop sharing must be approved by staff and sterilized after use.
- There are hand sanitizing dispensers throughout the building.
- Please have your child bring his own sanitizing wipes and hand sanitizer as well.

Unicycling will be held outside, weather permitting.
